Extended symptoms of Covid-19

Please note that some extended symptoms are now considered potentially linked to Covid-19.

Therefore, testing is being made available for anyone experiencing a wider range of symptoms such as fatigue, myalgia (muscle ache or pain), a sore throat, a headache, a runny nose, nausea, vomiting or diarrhoea.

If your child, you or a family member have any of these symptoms, please book a PCR test.

You can do this by either ringing 01443 443151 or [online](#) and choosing the following option:

- **My local council or health protection team has asked me to get a test, even though I do not have symptoms**
